Free Wi-Fi at Flatiron Plaza

Free Wi-Fi is now available at the Flatiron Pedestrian Plazas between Fifth Avenue and Broadway at 23rd Street, courtesy of the Flatiron BID.

In order to connect to the network, the BID has outlined these steps: Find a spot. (On a nice day, get there early. Seating fills up quickly.) Go to your wireless networks and choose “Flatiron Plaza Free WiFi.” Review the terms and conditions and click on “connect” at the bottom. Surf.

To provide this service, the BID partnered with Sky-Packets.
